

Where Healthy Eating Becomes a Habit

CHILD & ADULT CARE FOOD PROGRAM

The CACFP **BENEFITS** your business and your families:

- Provides funding to supplement the cost of healthy meals and snacks.
- Your food costs count as a business expense, so you only pay taxes on the amount of reimbursement that is more than your food expense.
- Gives parents confidence knowing that you are invested in the health and well-being of their children.
- The exposure of good nutrition at an early age benefits children by promoting healthy eating habits that last throughout their lives.

Choosing the right CACFP sponsor **MAKES A DIFFERENCE.**
